

GRAPETIME
ADVENTURE WINE TOURS

Sonoma Overlook Trail

Operated by the Sonoma Ecology Center, this trail ascends gently to a summit that has views of Sonoma Valley, and on clear days, San Pablo Bay and San Francisco.

Formerly a quarry in the late 1800's, it was also used by Native Americans as a hunting ground.

Sonoma Overlook Summit Loop

- **Easy, 2.75 miles. 300ft elev. gain**
- **Consistent, leisurely ascent through riparian oak forest, complete with seasonal streams. Summit has great views of Sonoma Valley, and San Francisco if it's a really clear day!**

Montini Preserve + Overlook Trail

- **Moderate, 4 miles. 400ft elev. Gain**
- **Out and back trail leaving from Montini trailhead. See the Red Quarry at Montini en route to the Sonoma Overlook summit. Just a bit longer than our Overlook Summit Loop, but with more views!**
